Mrs. Maggie Hill, wife of Henry Hill, of Potomac, Fairfax county, is extremely ill at the home of her father, Mr. C. H. Love, Kettleville, Prince George's county.

It is said that Hon. Basil E. Gordon, late chairman of the State Democratic committee, is almost completely restored to his former health, and should the Legislature convene in January he will be in his seat as Senator from the Rappahannock district. He is now in the Adirondack mountains.

Mr. James Johnson and Miss Frankie Fleming, daughter of Mr. E. F. Fleming, were married at St. Paul's Church last night in the presence of a number of their friends. The ceremony was performed by Rev. G. H. Norton. The ushers were Messrs. Thomas W. Robinson, William Wattle, William Beckham, Charles Evans, Louis C. Bailey and James F. Carlin. After the ceremony Mr. and Mrs. Johnson left on the 9:20 train for a northern trip.

Mr. Moses Slaymaker, now of Hamilton, is visiting his parents for a few days.

The Alexandria correspondent of the Richmond Times writes: "The venerable Jacob Roxbury, superintendent of the Gas Works, celebrated his seventy-sixth birthday yesterday."

RESIGNATION—A reporter of the GAZETTE was informed to-day that Mr. Chas. M. Crump, who is well known in this city, has resigned his position as Auditor of the Richmond & Danville Railroad Company, after an active life of 28 years in the railroad service.

Mr. Crump was made Auditor of the North Carolina Railroad Co. in 1870 at the early age of 24, and since then has successfully held the positions of assistant Auditor of the R. & D. R. Co., Auditor of the Richmond, York River & Chesapeake Railroad Co., Auditor of Richmond & West Point Terminal Co., and Auditor of the Richmond & Danville Railroad Co. In December, 1887, when Comptroller Barber resigned, Mr. Crump assumed entire charge of all accounts of the thirty roads comprising the R. & D. system and has won for himself the reputation of being the most indefatigable worker and accomplished accountant in the South. Under his management the system of accounts under the consolidation has been perfected and reduced to easy working order. The salary of the position is at present \$4,000 per annum. Mr. Crump resigns in order that he may enter into business in Richmond and give his personal attention to his interests in that city—his home where his family resides. His resignation, it is said, takes effect October first.

CONFEDERATE VETERANS—R. E. Lee Camp Confederate Veterans met last night to consider the invitation to be present at the dedication of the monument to the Confederate dead of Fairfax county at Fairfax C. H. on October 1st next. Commander Smoot presided. The invitation was accepted and Comrades Chase and Davidson were appointed a committee to ascertain the number that would attend. The orator on that occasion will be Senator John W. Daniel and a poem will be read by Hon. James L. Gordon. Chaplains Rev. Wm. M. Dame and Rev. Dr. Gardner will officiate. Col. Arthur Herbert, of this city, will be Chief Marshal. Gen. Wm. H. Payne will preside during the ceremonies. The monument will be presented by Capt. Ballard to the Ladies' Memorial Association and received in their behalf by Gen. Wm. H. F. Lee. Schroeder's brass band from Washington will be in attendance and an anthem will be sung by a quartette choir. A dinner will be provided for all invited guests and camps. Arrangements have been made to convey the Camp from Fairfax station to the Court-house by vehicles.

ELEMENT—Much excitement has been occasioned at Bowling Green, Ky., by the elopement of Mary, the seventeen-year-old daughter of Col. John David, with a young man named Henry J. Johnson, Johnson came from Cincinnati with a surveying party about a month ago, and being acquainted with one of Col. David's sons went to that gentleman's house to spend a few weeks. He and the young lady formed a strong attachment, and, on Tuesday night, after the family had retired, the lover placed a ladder against his lady love's window and in that way she left the house undiscovered. Colonel David immediately arming himself went in pursuit of the eloping lovers, and it is feared that he will kill Johnson if he finds him. Johnson is said to be a native of this city.

LOST HIS SATCHEL—John A. Seaton, colored, formerly of this city, but now of New York, upon arriving in Washington last night deposited his satchel on a seat in the reception room of the B. & P. depot, and walked to another room. Upon his return he found that the satchel had suddenly vanished during his absence. Supposing it had been stolen, he sought the aid of a policeman, and after much trouble and anxiety the missing satchel was found on a train about to start for New York. It is supposed it was picked up by some north-bound traveler.

OPERA HOUSE—To-morrow night will be presented the beautiful comedy-drama entitled "Flossie," by Minnie Seward, said to be one of the brightest little comedienne on the stage. An exchange says: "She seems to be equally at home in broad comedy and strong emotion, but peculiarly in roles combining the two opposite characters, comedy and pathos blended. 'Flossie' affords her the most striking opportunities and she makes herself a sure favorite from the outset."

POLICE REPORT—Last night was clear and cool with one prisoner at the station house.

The Mayor this morning disposed of the following cases:

A white man, arrested by officer Price for vagrancy, was sent to the work house for 30 days.

Mary Springsteel for an assault on Ida Cordell, was fined \$2.50.

FUNERAL—The funeral of Mrs. Keating Nelson took place this morning from her residence, "Okeley," near this city. The pallbearers were Messrs. R. W. Galliard, Donald McLean, George Fowle, George Triplett, John Ballenger and Owen Triplett. Rev. S. A. Wallis conducted the services and the body was laid to rest in Ivy Hill Cemetery. Her son, R. V. Kinloch Nelson, of South Bethlehem, Pa., was present.

The case of Carter vs. Noland, removed from the Circuit Court of Loudoun, was taken up. Mr. S. F. Beach represented the plaintiff and Messrs. Brooke and Scott the defendant in the latter case.

HOW EQUIMANUS KEEPS TAB—When an Equimanius baby is born a bag of skins is fashioned for its sole use, and in it a record of its age is kept forever after. Into this bag a little bone is put once every year, and it is considered a kind of sacrilege either to take out or put in a bone except at the proper time. The year is reckoned from the time the person first sees the sun appear upon the horizon—for that luminary is not a daily visitor in the land of the friz z North. Four long months of continual night, lighted only by the stars and moon; four months of daylight, without rest from the blinding sun; two months of glimmering twilight before and after the coming of the sun make up the Arctic year. They have no register or notation of time, nor routine of daily life as we understand it. They eat when they are hungry and sleep when they are sleepy.—St. Nicholas.

LOUISVILLE, KY., March 12th 1890
Radam's Microbe Killer Co., Nashville, Tenn.:
Gentlemen—A member of my family has been afflicted with asthma for several years, the attacks recurring from time to time as is usual with this disease. In May or June of last year, 1889, these attacks became almost continuous, hardly a day or night passed without suffering from the distressing attacks until I became alarmed on account of the loss of sleep and the severity of the disease, fearing a general decline of the health. I consulted several eminent physicians in New York and in this city, but with no beneficial results from their prescriptions. About the first of September she commenced using the Microbe Killer, and since that time has never had a return of the paroxysms, and her general health has been correspondingly improved. I can cheerfully recommend the Microbe Killer to all asthmatic sufferers.

Yours, etc.,
J. G. GUTHRIE,

Simmons Liver Regulator is a most excellent appetizing tonic.—Saml. S. Peutz Chap. to Bishop of North Carolina.

There is much in good blood; but if born of bad blood, "A. B. C. Alternative" is the only remedy.
Health demands a healthy liver. Take Simmons Liver Regulator for dyspepsia and indigestion.

A Scrap of Paper Saved Her Life.

It was just an ordinary scrap of wrapping paper but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, Druggist, Fort Smith. Trial Bottles of this wonderful Discovery Free at E. S. Leadbeater & Bro's.

Spring-time stirs up the bile. Simmons Liver Regulator removes it.

For an unpopular President, the remedy is the ballot; but for impure blood A. B. C. Alternative.

MEDICINAL.

NOTHING SUCCEEDS LIKE SUCCESS.

The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEPROSY to the simplest disease known to the human system. The scientific men of to-day claim and prove that every disease is

CAUSED BY MICROBES.

AND

Radam's Microbe Killer

Exterminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malarial Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases.

Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles in all its forms, and, in fact, every Disease known to the Human System.
